INTEREST CENTERS ON UPPER ALSACE.

French and Germans Continue Violent Fighting for Possession of Roads to Cernay

London, Jan. 6.—Apart from the Russian victory over the Turks in Transcaucasia, which is described in a dispatch to the Russian embassy from Petrograd as "complete," interest in the war now lies chiefly in the stubborn fight which the French and Germans are carrying on for the roads to Cernay and Muelhausen in upper Alsace.

The battle in that region, which has been raging for a week, is described in a Berlin dispatch as the most violent of the war. The Germans succeeded in regaining one of the trenches which they had lost, but on the whole the French reports appear to show that the forces of France maintain their advantage, for every inch of which they had to fight, in many cases with the bayonet. Along the rest of the western front the tide of the battle continues to ebb and flow. On either side of Rheims, particularly to the east of that harassed city, according to reports, the French daily push their lines a few yards forward, while in the Argonne, where more hard fighting is going on, first the Germans and then the French report the capture of the other's entrenchments.

The Russians, with all their other fronts, have found another army with which to take the offensive against the German position at Mlawa on the East Prussian frontier, and to-night report the capture of a village on the road to that town.

The Germans still are hammering at the Russian line, drawn directly across the roads to Warsaw from the west, but, it is reported, with less force behind them. In Western Galicia, however, where they have reinforced the Austrians, they have held up the Russian advance near Gorlice.

In Southern Poland wet weather has intervened and put a stop to the fighting. Neither side is able to move there owing to the high water and

A. H. T. A. MEETING

Last Monday night the A. H. T. A's were in session again at their old place three and one-half miles southwest of Monett. Thirty of the members were present, with two visiting members from No. 185.

When the regular routine of business was over and several applications for membership received, the lodge had what the president called "a little spread." I would call it a big one, both for the exquisite things there were to eat and the abundance of them. There were buas, wieners, cheese, pickles, cream, coffee, etc. Last but not least, was a present from L. P. Withers of a large basket of red apples, beautiful to look upon, but still better when the real test came. Such fruit speaks well for the grower and for Barry county, also.

Those who were not present certainly missed a treat, but the beauty of it is the committee authors of this. Alba Banks and P. C. Stebler, together with the president, W. E. Meador, have the right to repeat these unexpected surprises as often as they see fit.

The whole thing was a success and enjoyed by all, so Brother Anti if you want to be surprised in that way, attend the meetings, as they will not be announced.

the mud.

The Russians continue to drive the Austrians through the snow-covered passes of the Carpathians and out of Bukovina, and simultaneously are dealing in detail with the remnants of the Turkish armies in transcaucasia, which are reported either to have been routed or surrounded.

The Turkish dash into this distant province of Russia is described by military men here as having been an unwise maneuver. Military operations in that part of the world would be difficult in this season at any time, they say, but this year, with a particularly severe winter raging, there was little chance of the poorly equipped Turkish troops succeeding in their efforts.

WILLIAMS—JAMESON

A very pretty home wedding took place Wednesday night, December 30, when Miss Ada Lee Jameson was married to Mr. Loren Burton Williams, of McGill, Nevada. The wedding took place at the home of the bride's parents, the ceremony being performed by Rev. David B. Jones. The words were spoken about 6:30 o'clock, that joined two happy hearts and made them beat as one.

Miss Edna Jameson, sister of the bride, acted as bridesmaid and Mr. Albert Stuckey was best man. The bride was very sweetly dressed from the beautiful wreath and flowing veil that crowned her pretty head to the dainty white satin shod feet. Her dress was a beautiful creation of white satin and lace, very tastefully trimmed with seed pearl beading. Miss Edna was gown in a lovely white lace dress trimmed in beading and worn with a light blue girdle. The gentlemen wore the conventional color.

The house was beautifully decorated for the occasion and in one corner of the parlor and arch decorated with pink and white carnations and evergreens formed a very beautiful background for the wedding party, which certainly made a lovely picture as they stood during the solemnly beautiful ring ceremony.

Following the congratulations a dainty supper was served after which the happy couple departed to catch the nine-ten train for Monett, where they spent the night at the Martin Hotel, and were entertained Thursday by the groom's father and sister, Miss Amy Williams at 311 Second street.

They received a number of pretty and useful presents. They departed Monday night for McGill, Nevada, where they will make their home, the groom having a good position with the Steptoe Copper Mills at that place.

Those who attended the wedding were Rev. and Mrs. David B. Jones, Mr. Williams and daughter Miss Amy, of Monett, Mr. and Mrs. Pearl Black and children, Freeland, Lawrence and Georgia Emma, S. Chastain, Mr. and Mrs. Allen Holmes and children, Forrest and Dorothea Naomi, Mr. and

Mrs. Clarence Merritt and children, William, Clyde, Frank and Dene, Harvey Yoakum, Mr. and Mrs. Albert Welde and children, William and Kenneth, Jim Jameson and sister, Miss Mollie, Messrs. Albert Stuckey, Henry Holmes and John Jameson, Misses Edna Jameson, Mabel Frazier, Maudie Kingery and Fannie Jameson.

We join with the community in extending congratulations and wish them a long happy and prosperous life together.
